AWAY WELL AT LEXINGTON

BIG CROWD ATTENDS THE OPENING OF THE KENTUCKY RACING CAMPAIGN.

Waterblossom Wins but Star Jasmine and Poppee Disappoint Followers of the McDowell Stable —Grover Hughes Runs Like a Youngster.

Lexington, Ky., April 27.—Adverse weather conditions did not prevent a rattling big crowd from being in attendance at the Kentucky Association track this afternoon to witness the opening of the Kentucky racing season. Conditions were anything but propitious for outdoor sport, but the big gathering seemed unmindful and extracted a full measure of enjoyment out of the racing and its attending incidents. The track was in bad condition, but few scratches were recorded, leaving evenly matched fields to make the contests.

The Phoenix Hotel Handicap, an annual fixture here, was the headliner and resulted in an easy victory for the veteran Grover Hughes, which won as his rider pleased over Bayberry Candle and Grumpy. The favorite, Star Jasmine, was outpaced from the start.

The T. C. McDowell establishment was figured to win three races and began in auspicious fashion when Waterblossom cantered home in advance of good opposition in the Inaugural Dash. Major McDowell's Poppee was a distinct disappointment in the second and, like Star Jasmine, failed to get a place.

Much interest attended the meeting of Judge Young and Sleeper in the third race. Both colts were heralded as stars and much was expected of them. They promised highly during the early stages of the race by running in advance of the others, but after rounding into the stretch they fell back, while Berlin, a slashing looking colt by Jim Gaffney—Autolee, owned by J. S. Ward, won easily over Guy Fortune, with Sleeper just lasting long enough to save third place. Judge Young tired badly in the final eighth.

The contest that aroused the keenest interest of the afternoon was the sixth, in which Sedan and Westy Hogan fought it out for the entire way and landed heads apart, with Westy Hogan getting the verdict. Both colts ran at top speed from the rise of the barrier and disputed every inch of ground, Westy Hogan having somewhat the worst of it because of having to go further. Both are crack colts and were cheered loudly for their game performance.

John Whitlow, owner of Westy Hogan, stated this afternoon that he was not particularly anxious to dispose of that colt and for that reason he turned down an offer of $12,500 made for him by T. C. McDowell. E. R. Bradley previously had offered $11,000 for the colt.

"I am starting him today to get a line on his mud-running ability," said Mr. Whitlow, before the running of the fifth race, "and incidentally am testing him high, for he is meeting some formidable opposition in the race." Westy Hogan is well engaged in early stakes, including the Breeders' Futurity here, which Mr. Whitlow feels certain he will win.

P. M. Civill, who has been on the sick list for several weeks, was at the track during the afternoon.

Jefferson Livingston came here this morning from New York to attend the opening.

Charles F. Grainger, member of the Kentucky State Racing Commission and president of the New Louisville Jockey Club, came over from Louisville for the opening.

Captain J. T. Williams, who raced Ram's Horn and other good racers, came over from his home at Spring Station, Ky., to attend the opening. Captain Williams is showing traces of feebleness.

Francis J. Pons arrived this morning from his farm at Madison, Tenn., and will remain for the rest of the meeting.

Stake blanks were received this morning by horsemen from the Hamilton Jockey Club. Secretary Allie Loudon sent word to owner A. L. Kirby that he would be here about May 6 to receive entries.

Many of the owners here contemplate shipping to Toronto immediately after the close of the Lexington meeting, the opposition in Kentucky being a bit too formidable for some members of their strings.

United States Marshal Robert Ford visited the track this afternoon and summoned E. R. Bradley, Cliff Hammon, Kay Spence and others, to testify in a suit brought by W. W. Darden against the Adams Express Company, for the destruction of his horses in a wreck last year at Terrace Park, near Cincinnati. The case comes up for hearing at Nashville, Tenn., May 2.

Woods Dickerson arrived this morning from France, where he has been for some time. He reports that all the trainers have discontinued the preparation of their horses and that it costs more than a dollar daily to feed each horse.

Secretary Samuel Nuckols of the Kentucky State Racing Commission, who was at the track this afternoon, stated that a license had been refused to jockey E. McEwen and that Casey Jones and Roy Guy were granted licenses. These riders were suspended at Hot Springs during the recent meeting.

CHURCHILL DOWNS' PURSE PROGRAM.

Book About Ready for Distribution Shows Great Provision for Kentucky Derby Day.

Louisville Ky., April 27.—Racing Secretary W. H. Pearce has completed the conditions of the overnight purse races for the coming thirteen days of racing at Churchill Downs and the book program, now in press, will be ready for distribution early the coming week. He has arranged the conditions of the overnight purses and handicaps up to six races a day, leaving the seventh to be put on the program from day to day. This is done so that in giving this extra race it can be so conditioned that it will fill daily, regardless of weather and track conditions. The races he has arranged, which cover all but the seventh, making five overnight races on stake days and six on the afternoons that no such events are run. These have been arranged in distance as follows:

Two at a half mile; ten at four and a half furlongs; thirteen at five-eighths; one at five and a half furlongs; nineteen at three-quarters; two at one mile; two at a mile and seventy yards; ten at a mile and a sixteenth; ten at a mile and an eighth; four at a mile and three-sixteenths, and five at a mile and a quarter. This makes, with the extra race each afternoon and counting the seven stakes, a total of ninety-one races programmed for the thirteen days.

On Derby Day, the New Louisville Jockey Club, for the seven races set for that afternoon, offers the sum of $14,400 in added money, which is the greatest afternoon's card in value as yet ever run on any Kentucky track. The program for Derby Day follows:

First Race—Purse $700, for maiden two-year-old fillies; one-half mile.

Second Race—Handicap purse $800, for three-year-olds and over; three-quarter mile.

Third Race—Purse $700, for two-year-old colts and geldings; four and a half furlongs.

Fourth Race—Handicap purse $800, for three-year-olds and over, one and one-eighth miles.

Fifth Race—The Kentucky Derby, with $10,000 added, for three-year-olds; one mile and a quarter.

Sixth Race—Selling purse $700, for four-year-old and over; one mile and a sixteenth.

Seventh Race—Purse $700; conditions to be announced later.

On account of the sudden severe change in the weather and the heavy rains of the last forty-eight hours, there was little fast work done at the local tracks on Wednesday. The Derby horses in training at the Downs were only slowly cantered around the course and soon returned to the stables. The best work through the mud at the Downs on Wednesday was as follows:

Hodge—Three-quarters in 1:21⅗.
Blackie Daw—Half mile in 55.
Little Mother—Three-quarters in 1:26⅘.
Heir Apparent—Three-eighths in 41.
Old Koenig—Three-quarters in 1:21, half mile in 51⅖, five-eighths in 1:06.
Anthony's Last—Quarter mile in 27⅘.
Leo Skolny—Five-eighths in 1:05⅖.
W. W. Clark—Five-eighths in 1:06⅘.

At Douglas Park the fastest work done in the soft going is to the credit of Rancher—three-quarters in 1:21.

Trainers Hughes and Burch took all the six horses that John Sanford has had at the Downs to Lexington. The Derby candidate in this string, George Smith, will be returned with his stable companions to the Downs immediately after the running of the Camden Handicap. The Sanford stable has the two-year-old Chieftain engaged in the Idle Hour Stakes and the filly Scylla in the Hinata Stakes. Before leaving for Lexington, trainer Hughes made known that this branch of the Sanford stable would race at all the Kentucky meetings this spring and next summer.

J. E. Madden has shipped eighteen of the two-year-olds which he wintered at Churchill Downs,, to Belmont Park and will make another shipment to that track the last of the week. The race mare Fancy, that he had an agent purchase at the Juarez track this spring from Robert Wilmore of Kansas City, died at the latter place a few days ago. The mare had been shipped from Juarez with a carload of other horses, but was taken sick on the train and had to be taken off at Kansas City. She seemed to improve for a day or two, but a relapse ensued and her death followed. From all accounts Madden bought her on account of her superior breeding, she being entirely of English blood. She won many races during her long career on the turf.

But two candidates for the Kentucky Derby worked sharply in the heavy going at Churchill Downs today. They were Lena Misha, which, with P. Lowder up, galloped a mile in 1:45⅗. The fractions were: 13, 25⅗, 38⅖, 51⅖, 1:04⅘, 1:18⅘, 1:31⅗.

Pockichoo, with C. Brady up, covered a mile in 1:47. The first seven-eighths were run in 1:31⅘.

The Macomber Derby candidates Hesperus, Star Hawk and The Cock, were held back for better track conditions. All are doing finely in their training.

The new fence on the Central Avenue side of the Downs track has been completed and, like all other improvements made at this course, adds to the sightliness of that portion of the plant. It is over five hundred yards long and more than six feet high.

H. P. Whitney's three-year-old chestnut filly Adroit, a daughter of Broomstick and out of the Futurity winner Artful, will not be able to stand training and will probably be shipped in a few days to Brookdale Farm and retired to the stud. She was an eligible to the Kentucky Oaks, but her owner still has two good candidates in that race in Hansa and Regina.

Adroit started twice last year, winning one race and finishing second in her other attempt. She is as promising a young broodmare prospect as any stable possesses.

Mrs. Theo Abadie has shipped her good four-year-old filly Chitra here and will race her in Kentucky until she can dispose of her, as she desires to drop out of the racing business, having only the one horse at this time. Chitra had a good winter in Havana, winning four races and finishing second in three of her other starts there. Mrs. Abadie finally intends to again race some horses, but she has in mind buying a few yearlings when she one more concludes to embark in the business.

WAR'S EFFECT ON BELGIAN BREEDING.

Since the early weeks of the war, when news as to the doings of the Germans in the Belgian agricultural districts was relatively abundant, little has been heard of the state of the horse breeding industry in that unfortunate country. We have been left to conjecture how such an enemy would treat a thriving industry, and unhappily conjecture based on the subsequent behavior of the Germans proves to have been well founded. According to reliable information which has been collected by the agricultural relief of Allies committee—of which his majesty the king is patron and the Duke of Portland president—the Germans have done their best, after having transferred much valuable stock to Germany, to extinguish horse breeding in the territory now occupied by them.

In August, 1914, horse breeders suffered heavily from requisitioning, and the military activity in the eastern provinces made it practically impossible for them to escape. Some few did succeed in crossing the Dutch frontier, while others made their way towards France with varying success. As the Germans advanced, their demands upon local stables became larger, and were carried out with increasing hardship to the owners. The district of Eghezee was completely cleared of its horses, while the same thing happened in the Borinage and in the district of Thuin as well. This latter region formerly held an important position among localities famous for the production of draught horses.

It is on record that Mr. Tirtiaux, of St. Gerard, the former owner of Burgoyne, which was a few years ago the champion stallion at the Brussels show, fell dead when his best mare was taken away, and it is not difficult to imagine that similar tragedies were frequent in a country where the sense of companionship between man and horse was almost as strong as it is in England. The German, on the other hand, knows little or nothing of such a feeling of comradeship. The famous stable of Huart was completely emptied with the exception of one stallion—Val d'Or, the well-known son of Indigene du Fosteau.

Some of the most successful breeders of Thuin were fortunate in making good their escape with their stock, and many mares from this region are now at Chantilly, near Paris. These include the greater part of the Fosteau stable (Durot-Hazard's), comprising Kleber and Sergent du Fosteau. Practically the whole of the goods and chattels of the village had been loaded on carts and, drawn by valuable horses, fled in the direction of France. Unfortunately, some of the carts turned back after a few days and were picked up by the Germans, amongst them the famous four, Helena, Gisele, Hirondelle and Gazette du Fosteau. These were among the most famous of Belgian draught horses, having secured many championships.

A number of owners left the heavy mares in the stables, imagining that the Germans would not require them. But they were mistaken, for these pedigree animals were selected according to indications of the type which could be profitably used by German merchants, and loaded on the train for Germany, where they were sold by auction. One example of how the Germans "purchased" the horses they required comes from Courtrai, where a farmer's two horses were taken and the owner solemnly given four francs and a receipt for two fat rabbits! From time to time the army of occupation orders a new requisition of horses, including breeding horses, and in passing it is of interest to state that in the districts under military control, mares must not be mated without a permit from the Kommandantur. This in itself is practically sufficient to put a stop to horse breeding as an industry.

It will be seen that the Belgian horse breeders will have a difficult task at the end of the war when they set about re-establishing the industry. It is hoped that the Agricultural Relief and Allies Committee will be in a position to afford material help in reconstituting even the nucleus which will serve to bring about a resumption of horse breeding in those districts where it was formerly located, but it must take years before breeders are in the same strong condition as they were before the war. The committee confidently look to the support of English breeders on whom—but for our favorable geographical position—might have fallen the sufferings which the agriculturists of our Allies have borne.—London Sporting Life.

CURRENT NOTES OF THE TURF.

L. Feustel has bought a two-year-old brother to his fast and useful bay gelding He Will, by Heno—Naughty Lady.

Messrs. Johnson and Billings had the misfortune to lose one of their imported two-year-old colts recently. It was the bay colt Tom Thumb, by Marajax—Sister Lumley.

Trainer Thomas Murphy gave the Duryea thoroughbreds, which are quartered at the Haggin barn in Neck Road, slow work over the Gravesend track Wednesday. They were ridden by stable grooms in their work, most of them having from 170 to 180 pounds up. Crimper and Frizzle were at the head of the big string.

Trainers Frank Regan, Frank Taylor and A. J. Goldsborough will not begin the season before the opening of the metropolitan circuit at Jamaica. Trainer S. Lawler and trainer Mulrenan are also at Gravesend for the present, and it is probable that they will remain there until the opening of racing at Jamaica, May 18.

Theodore Smith, who owns most of the horses George Odom has in charge, has taken a stable at Belmont Park, near that occupied by W. H. Karrick, and is fiting it up as permanent training headquarters for the Odom string. It has been wired for electric lighting. George Odom expects to move his horses into their new quarters next week.

W. R. Coe has purchased from H. P. Whitney the big six-year-old chestnut horse Harmonicon, by Disguise—Harpsichord, with the intention of putting him in the stud at his Shoshone Valley ranch in Wyoming. In addition to his rich breeding he is a horse of great speed and, when in England, was a first-rate sprinter. In this country last year he did not race to his form abroad, but was a winner.

Max Hirsch has transferred his horses from Gravesend to Belmont Park. He has decided not to go to the Maryland circuit, although he had confidently expected to do so. Just when he was about ready to leave for the south his two-year-olds developed bucked shins, and it will be a week or more before they will be ready for active service again. John E. Madden wrote Max Hirsch last week that he intended to ship him seven horses from Louisville, and trainer Hirsch has been expecting them since last Sunday.

EXCELLENT RACING RECORD OF A SMALL STABLE WHICH INCLUDED A KING'S PLATE WINNER

With a compact little stable of four horses, the Canadian lawyer and turfman, C. Millar, fared exceedingly well last year since, among other successes, he achieved the triumph most coveted of all by Canadian owners when his colt, Tartarean, swept home a gallant winner of the King's Plate at the Toronto spring meeting. Probably if he had won no other race he would have been entirely satisfied, but Tartarean won other races and Fair Montague was also a good winner. Of his four colts, all sons of the English horse, Stanhope II., the only one which failed to win a race was Shrovetide, but his shortcomings were amply compensated for by the more exemplary conduct of his stable comrades. The record of the stable was:

Horse.	Col. and Sex.	A.	Pedigree.	1st.	2d.	3d.	Won.
Tartarean	b. c.	3	By Stanhope II.—Tarletan	3	3	1	$ 6,730
Fair Montague	b. c.	3	By Stanhope II.—Meadowley	2	3	4	4,745
Garish Sun	b. c.	3	By Stanhope II.—Ganymede	3	3	1	1,745
Shrovetide	b. c.	3	By Stanhope II.—Scotch Mist	0	0	2	100

HEAVY AT HAVRE DE GRACE

RAIN AND DISAGREEABLE WEATHER GENERALLY DOES NOT PREVENT A BIG CROWD.

Manokin Wins the Perryville Selling Stakes and Brave Cunarder Makes it a Double for Bedwell—The Masquerader Takes His Race.

Baltimore, Md., April 27.—The Perryville Selling Stakes, for two-year-olds, was offered as the feature race at Havre de Grace this afternoon and resulted in a victory for H. G. Bedwell's Manokin. It was the smallest field that has contested this fixture since its inauguration, only three starting. The winner was ridden by F. Keogh and showed speed in the heavy mud. The race was rather spectacular, although the winner was gradually drawing away at the finish. Chemung was second, outgaming Rhymer in the final few yards. The latter got away slowly from the barrier.

The Perryville Selling Stakes was first run in 1913 and its history, briefly summarized, follows:

Year.	Winner.	Wt.	Jockey.	Val.	Time.
1913	Gordon	120	J. Wilson..	$ 675	:54⅘
1914	Surgeon	99	J. Callahan.	675	:54⅘
1915	Golden List	104	E. Taplin...	675	:55⅕
1916	Manokin	107	F. Keogh ...	675	:57

The colors of H. G. Bedwell were conspicuous during the afternoon, scoring a double with Brave Cunarder and Manokin. Both victories, however, were costly to the stable on account of runups. Brave Cunarder showed a much better performance than in his previous start.

It was probably the most disagreeable day that race goers have had to face this season. A heavy rain which fell steadily during the night rendered the track a veritable quagmire and caused the withdrawal of many of those entered overnight. The attendance, however, showed no falling off. A big crowd journeyed to the course from nearby cities.

The colors of Ral Parr of Baltimore were victorious in the opening dash when the heavily weighted The Masquerader scored his first victory in a long time. The majority of the winners were well supported, but there were several upsets.

Jack Phillips has decided to campaign over the Canadian Racing Associations circuit this year. The horses will be shipped to Woodbine at the conclusion of the Pimlico meeting. In the string he has Fair Helen, All Smiles, Christophine and Viley.

W. A. Carter, W. O. Joplin and W. Feuchter will ship to Louisville tormorrow. Mr. Carter has purchased the filly Molly O. from W. M. Carter and she will go along with the shipment.

Richard F. Carman has purchased the jumper Bamboo from Matt Smart. It is presumed the purchase was made for Wilfred Viau.

At the conclusion of the Pimlico meeting James Johnston will obtain the contract on the apprentice rider Earl Haynes. He will ship his horses from Pimlico to the Woodbine track at Toronto.

Edward McBride shipped his string to Pimlico today.

The horses of J. M. Stowe will be shipped to Montreal Saturday.

John Powers, Eugene Wayland (with the Marrone Stable), and William Shields (with the horses of Paul Powers) will all ship to Jamaica Tuesday. In the Powers string will go Harry Shaw, Imperator, Dancer and the two-year-old Thursday Nighter. Shields will take along Outlook, Rose Juliette, Judge Wingfield, Gratitude and some others. Gallop, a good winner at the present meeting, is in the Marrone string.

CHERRY MALOTTE GIVEN HIGH WEIGHT.

New York, April 27.—The Greentree Stable's Cherry Malotte will carry top weight in the race for the Cedarhurst Cup, the handicap steeplechase which will be the feature of the first day's racing of the Rockaway Hunting Club at Hewlett Bay Park, Long Island, next Saturday. The weights were announced yesterday and show that the Greentree Stable is likely to be prominent in amateur sport this year, as next in order are two more steeplechasers of that popular stable, Ben Wyvis, an imported horse, and Royal Amber.

The racing next Saturday will start the amateur season, and the meet will be concluded with another day's sport on the following Saturday. The following officials have been appointed: Stewards, J. E. Davis, F. C. Bishop, Henry W. Bull, Capt. E. B. Cassatt, Andrew Miller, H. S. Page and Schuyler L. Parsons; judges, H. A. Bourne and W. L. Powers; paddock judge, Edward S. Voss; handicapper, Frank J. Bryan; clerk of scales, W. C. Erwin; starter, Frank T. Clarke; clerk of the course, Geo. W. Gall; patrol judges, A. J. Akin, Albert Franke, Rene La Montague, Cortlandt B. Dixon II., John P. Kane and Alfred L. Norris.

The Cedarhurst Cup is a handicap steeplechase at about two miles. The weights:

Horse.	Wt.	Horse.	Wt.
Cherry Mallote	158	Dixon Park	137
Ben Wyvis	148	Crest Hill	135
Royal Amber	148	Fashion Wing	134
Abdon	145	Otto Floto	133
Nenuphar	143	Overseer	133
Unmask	141	Burgrave	130
Primbutton	138	My King	130
Belle of Bryn Mawr	138		

ANSWERS TO QUERIES.

W. F. V., Chicago. See reply to "Enquirers."

F. W. H., Keytesville, Mo. Do not know of any such person or his address.

R. J. D., Chicago, Ill. If a wager had been made at 12:30 p. m., it would have been on the new entries and payable if it won.

T. B., Toronto, Ont. Where one backs a jockey's mount the matter is decided by the position of his mount at the finish of the race.

C. R. C., Chicago. If a parlay on Gallop and Fenmouse had been made it would have been void on Gallop and a winner singly on Fenmouse.

T. B. W., Benton, Ill. When a two-year-old Plantagenet started in seven races, of which he was first in one, second in one and third in two.

Casino Cafe, New Orleans, La. All Havre de Grace overnight entries for April 26 were declared off and new entries substituted. The transaction referred to was a draw.

Enquirers, Buffalo and elsewhere. The entries for Havre de Grace racing of April 26 sent out overnight were all re-opened and new entries made. In such races bets on the basis of the overnight entries would be draws except in the case of the fourth race, the Belair Handicap, which being a stake race was open to added starters anyway and therefore was not affected. Added starters cannot be made to purse races, and a race declared off and re-opened is a new engagement. Wagers made with full knowledge of the changes would stand.

GENERAL NEWS NOTES OF THE DAY.

In regard to the Irish situation, a late dispatch of yesterday from London says: Martial law has been declared throughout all Ireland. Premier Asquith announced that Maj.-Gen. Sir John Maxwell, who formerly commanded the British forces in Egypt, was leaving this afternoon for Ireland. The general has been given plenary powers, under martial law, over the whole country. The troops in Ireland have been and are being strongly reinforced. Mr. Asquith added, and the government was satisfied the force dispatched was adequate to deal with the situation. The Irish authorities will place themselves at the disposal of Maj.-Gen. Maxwell, to carry out his instructions. Fighting is still going on in the streets of Dublin. Premier Asquith announced in the house of commons that the rebels continue to hold important public buildings in Dublin and that street encounters were still in progress. The royal proclamation suspending in Ireland section one of the defense of the realm amendment act of 1915, which gives to a British subject charged with an offense under the act the right to be tried by a civil court, was read upon the steps of the royal exchange this morning, according to historic custom. The report that Baron Wimborne, lord lieutenant of Ireland, has been captured is declared untrue by the foreign office. No intimation has been received at the office that any high officials have been captured in Ireland.

Work of perfecting a new army bill, the first of the administration's big preparedness measures, was begun Wednesday by the joint congressional conference committee. The bill was sent to conference by the house late Tuesday after a motion to recommit to the military committee for amendment had been overwhelmingly defeated. The fight to recommit was led by minority leader Mann. Afterward conferees on the part of the senate and house were appointed. The senate conferees are all "big army" men. This fact occasioned considerable comment on both ends of the capitol. The bill is the senate substitute for the Hay army measure passed by the house. In view of the material difference between the two measures, it is expected that considerable time will be required before a conference agreement can be reached. The house democrats will caucus on the Philippine bill and the working program. President Wilson has told party leaders he favors putting the Philippine and ship bills ahead. Many democrats have expressed opposition and want to put the big supply bills ahead. The caucus is to determine the course.

Two Americans were killed and three wounded in an engagement between cavalrymen under Col. George A. Dodd and 260 Villa bandits at Tomachic, in the center of the Sierra Madres, in western Chihuahua, on April 22, according to an official report reaching Columbus, N. M. The Villa command, under four chiefs, Baca, Cervantes, Dominguez and Rios, was surprised in the late afternoon and routed. After the battle the Americans found six dead Mexicans and nineteen wounded, while a quantity of horses, arms and equipment was captured. Several detachments of American troops have resumed active pursuit of Villa and are whipping the mountains north and west of Parral, where the bandit chieftain is reported to be hiding. The advanced base, 300 miles south of the border, is now completely equipped, trainload after trainload of motor trucks having arrived here within the last ten days, bringing rations, clothing and equipment.

From headquarters at San Antonio a dispatch says: The conference between Generals Scott, Funston and Obregon will take place at El Paso or at Juarez, it was definitely announced at departmental headquarters today. Generals Scott and Funston expect to leave here for El Paso tonight. The two American representatives can not reach El Paso before Friday, and it is not believed probable that General Obregon will get there before Saturday. Whether the conference will take place Saturday has not been determined. The exact character of the instructions sent by the war department to General Scott has not been revealed, nor has there been any official indication of the nature of the instructions General Obregon has received.

Secretary Lansing announced yesterday that the United States had sent another note to Great Britain demanding the release of the thirty-eight Austrians, Germans and Turks taken from the American Steamship China by a British cruiser off Shanghai. The note was dispatched Wednesday and will be given out for publication later. Great Britain contends that the men were engaged in intrigues and plots against the British government and, having been discovered, were fleeing to Manila where they intended to continue their efforts which would have embarrassed the neutrality of the United States.

Gerrard, the American ambassador to Germany, will leave Berlin tonight for the German army headquarters, where he will be received by the German emperor. Dr. von Bethmann-Hollweg, the German imperial chancellor, who up to the present has been at the army headquarters, is expected to come to Berlin tomorrow to prepare Germany's answer to the latest American note.
